the kingdom of heaven

In today's Gospel reading Jesus tells us about the Kingdom of Heaven. Heaven isn't just where we will go when we die if we were good. Jesus was telling us that Heaven grows in our hearts when we choose to love God and each other.

Our Lord compares the Kingdom of Heaven to plants that grow up from little seeds. When we were baptized we received the gift of Faith. When we receive the other sacraments, especially Holy Communion, the Faith grows in us, like a plant that has water and sunshine. If we sin it's like little bugs or sickness that start to kill the plant. Confession will take those away so that our Faith can grow again.

How can you help the Kingdom of Heaven to grow in you? Going to Mass and receiving Holy Communion whenever you can, and going to Confession often are the best ways. Praying every day and learning about the Faith and about the saints will also help the Kingdom of Heaven to grow in your heart like a strong, healthy plant!
